

Nutra Burst+

A citrus-flavored liquid multivitamin enhanced with CoQ10

Iaso® Nutra Burst+ is more than a regular daily supplement TLC's new and unique formula provides a broad spectrum of vitamins and minerals with high levels of bioavailability.

CoQ10 (Coenzyme Q10) helps to ensure the body has optimal amounts of this vital Coenzyme and works at peak efficiency.

Iaso® Nutra Burst+

Iaso® Nutra Burst+ provides a broad spectrum of supplements that include more than seventy-two naturally-occurring trace minerals. The ingredients in this formula are selected for their excellent bioavailability and are single-sourced from premium suppliers. Each element has been scientifically tested and verified for purity.

Iaso® NutraBurst+ provides Coenzyme Q10. CoQ10 helps the body to produce the energy necessary for cell growth and maintenance at the cellular level. In addition, CoQ10 functions as an antioxidant which protects the body from damage caused by harmful molecules.

The Iaso® Nutra Burst+ liquid formula delivers up to five times the absorption of nutrients as compared to conventional tablets. This formula is unmatched in its spectrum of Phytonutrient Enzymes and blend of Whole Food Greens.

Take one tablespoon per day or mix Iaso® Nutra Burst+ with your favorite all-natural fruit juices.

More About Iaso® Nutra Burst+

This daily supplement provides a gram of dietary fiber. A total of 700 milligrams is provided in a proprietary per-serving blend. Iaso® Nutra Burst+ liquid formula ensures up to 98% of the vitamins and nutrients are available for immediate absorption by the body.

Active Ingredients

Whey Protein Isolate

Whey Protein Isolate delivers essential amino acids including leucine, lysine, tyrosine, cysteine, isoleucine, valine, threonine, tryptophan, and histidine.

Amino Acids

Amino acids ensure optimal transport and storage of the nutrients and substances necessary for a healthy body. This includes water, fat, carbohydrates, proteins, minerals, and vitamins.

Trace Minerals

The trace mineral blend includes Magnesium, Chloride, Sodium, Potassium, Sulfate, Lithium, Boron, and more than seventy-two ionic trace minerals. These minerals include Calcium, Silicon, Selenium, Phosphorus, Iodine, Chromium, Manganese, Iron, Copper, Molybdenum, Zinc, Vanadium, Beryllium, Bromide, plus other naturally-occurring minerals found in seawater.

Caution

Not recommended for children under 4 except under medical supervision. If pregnant, nursing or have a medical condition, consult a physician before using. Persons that are intolerant, sensitive or allergic to any ingredients in this product should consult a physician.
